FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair Value of Financial Instruments

Fair Values of Financial Instruments are determined according to the following hierarchy as described below:

Level 1 - quoted market price (unadjusted); financial instruments with quoted prices in active markets.

Level 2 - valuation techniques using observable inputs: financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets. Financial instruments are valued using models where all significant inputs are observable.

Level 3 - valuation techniques with significant unobservable inputs: This category includes all instruments valued using valuation techniques where one or more significant inputs are unobservable.

There were no material changes in the fair value of financial assets categorised under Level 3 compared to the values reported as at 31 December 2025. The Group has not changed the valuation models and assumptions used to measure the fair values of Level 03 financial instruments during the period ended 31 March 2026.

*The segmentation has been revised to classify previously used "Bank" into "Consumer & Commercial Banking" and "Corporate Banking", in alignment with the presentation format of the Annual Financial Statements.

- (1) There are no changes to the accounting policies and methods of computation since the publication of the annual report for the year ended 31 December 2025.
- (2) During the quarter, there were no material changes in the composition of assets, liabilities and/or contingent liabilities. All known expenditure items have been accrued.
- (3) The Group Financial Statements comprise a consolidation of the Bank and its fully owned subsidiaries; Waddock Mackenzie Limited, Allied Properties Limited and Nations Insurance Brokers Limited.
- (4) These interim financial statements are presented in accordance with LKAS 34 - Interim Financial Reporting, Circular 05 of 2024 on Publication of Annual and Quarterly Financial Statements issued by Central Bank of Sri Lanka and other Disclosures by Licensed Banks, and provide the information as required in terms of Rule 7.4 of the Colombo Stock Exchange.
- (5) **Impairment of Financial Assets**
 - (a) **Loans and Advances - ECL assessment**

A comprehensive ECL assessment was performed, considering delays in cash flows, macroeconomic conditions, geopolitical developments and other externalities. Sufficient provisions were recorded to ensure appropriate coverage for the loan portfolio. Customers with elevated credit risk were classified under Stage 2 or Stage 3. Management overlays for high-risk segments and geographies were reviewed and maintained to ensure adequate buffers against potential adverse impacts.
 - (b) **Other Financial Assets - Balances with Central Bank**

As at 31.03.2026, the Bank carried a receivable balance due from the Central Bank of Sri Lanka (CBSL) relating to the Special Deposit Accounts (SDA) and the Incentive Scheme on Inward Workers' Remittances introduced under previous regulatory directions. In December 2024, CBSL communicated the need to reassess the recoverability of these receivables. Based on management's assessment of the settlement status and available information, an impairment provision has been recognised against the outstanding balance. Further, CBSL has formally confirmed in January 2026, that amounts claimed under the Rs. 2.00 per USD Incentive Scheme on Workers' Remittances will not be settled. Accordingly, the Bank has written off the related receivable balance, and the impact has been recognised in the financial year 2025.
- (6) In terms of the Banking Act No.30 of 1988, as amended, John Keells Group and Central Finance Group are to reduce their respective shares carrying voting rights to 15% and the respective shareholders are required to take relevant action to comply with the said direction. Restriction on voting rights at 10% each is applicable to John Keells Group and Central Finance Group until the reduction of their respective holding to the prescribed levels.
- (7) The funds raised through debentures were fully utilised for the objectives mentioned in the prospectuses.
- (8) **Events after the Reporting Period**
